

## Precision Line - Inverted Marking Paint

### For Accurate, Easy-To-Read Markings

- Precision-line marking paint for accurate, easy-to-read markings
- Marks more linear feet than other brands – 250% more
- Virtually no overspray
- Solvent-based and water-based formulas
- Best resistance against early fading and chalking
- Non-clogging, locking spray tip won't pop off
- Bright and vivid durable colors
- Dries fast in less than 5 minutes
- Penetrates and adheres to hot surfaces
- Convenient and comfortable spray-through cap
- No-mess spray tip keeps paint off fingers
- Can be applied down to 25 F
- Use on dirt, gravel, grass, concrete, asphalt and brick
