

# FLAGGING TAPE

## Product Specifications

Product Identification: Survey Flagging, Survey Tape, Flagging Tape

Material: Flexible PVC Film, Monomeric, Polyvinyl chloride

Thickness: 2.5 mil to 4.5 mil or as per customer request

Embossing: Taffeta Finish

Width: Standard width 1 3/16", Custom widths 1", 2"

Tolerance: +/- 1.5%

Color: Various color choices or as per customer request

UV Additive: Yes

Specific Gravity: 1.32 GR/CC ASTM D792

Core Size: 1.5"

Elongation: 260%

Footage: Fluorescent colors 150', Standard colors 300' or as per customer request

Tensile / PSI: 2620 to 2990 or as per customer request
